100 CUSTOMERS TO BE REIMBURSED FOR VEHICLES BOUGHT IN THE NETWORK IN SEPTEMBER 2010

For the Open Days event held in the French network from March 10 to 14, 2011, 100 customers will receive a check for the amount they paid for their vehicle bought in the previous Open Days in September 2010.

The 100 people concerned (68 new vehicles and 32 used vehicles) purchased their vehicles in 77 dealerships in the France network.

The Renault France network brought customers a unique offering in the automotive world in September 2010, with each person buying a new or used Renault vehicle* having a one in three hundred chance of getting their money back.

Alongside this original money-back campaign, the French network is to revive its “**key game**” operation from March 10 to 14. Each winner will drive away in one of the eight Renault Winds up for grabs. Thousands of other gifts will be offered.

The new Open Days event will also be a chance for Renault to invite current and potential customers to its network to find out about range models and the brand’s fundamentals, namely product quality for all, design passion, and technological innovation.

The “Offers from another world” deals will be back in the French network in March. On top of favourable financing for the purchase of a new Renault vehicle, for one euro more customers also get a three-year warranty, three years of servicing and three years of assistance.

* Passenger cars only.
