## A NEW MOBILITY PLATFORM IN TRAPPES

October 7 th, Voiture and Co has inaugurated with Renault its 15th mobility platform in Trappes (France). The ceremony was attended by Benoît Hamon, Deputy Minister in charge of social and solidarity economy and consumption.

The platform offers bike rentals, scooter, car and a range of mobility training to people whose mobility has been identified as an obstacle to their return to the labor market.

As part of its "Renault Mobiliz" social business program, Renault has contributed financially to the development of these platforms and has developed a network of solidarity garages (car repair at cost price by Renault garages volunteers) for including beneficiaries identified by the mobility platform.
