

Fonderie de Bretagne: Renault Group calls for calm on the Caudan site

Boulogne-Billancourt – 04/27/2021

- A group of employees of the Fonderie de Bretagne are currently retaining seven members of the company at the Caudan site.
- Renault Group strongly condemns these actions and calls for the lifting of the blockade and an immediate return to calm.
- Renault Group recalls that the search for a buyer is currently underway in order to maintain the site's activities and ensure the continuity of jobs. This process must continue with dialogue and calm.

About Renault Group

Renault Group is at the forefront of a mobility that is reinventing itself. Strengthened by its alliance with Nissan and Mitsubishi Motors, and its unique expertise in electrification, Renault Group comprises 5 complementary brands - Renault, Dacia, LADA, Alpine and Mobilize - offering sustainable and innovative mobility solutions to its customers. Established in more than 130 countries, the Group has sold 2.9 million vehicles in 2020. It employs more than 170,000 people who embody its Purpose every day, so that mobility brings people closer. Ready to pursue challenges both on the road and in competition, Renault Group is committed to an ambitious transformation that will generate value. This is centred on the development of new technologies and services, and a new range of even more competitive, balanced and electrified vehicles. In line with environmental challenges, the Group's ambition is to achieve carbon neutrality in Europe by 2050. www.renaultgroup.com/en
