- **World premiere for the All-New Renault City K-ZE: Renault's first electric vehicle in China**
- **The global car is an urban SUV electric vehicle**
- **As part of the electrification strategy, All-New Renault City K-ZE is the sixth electric vehicle of Groupe Renault**

Join us on Tuesday, April 16th at 10.20 am (Shanghai time)

on the Renault stand (Hall 7.2, 7B02 stand)

to follow the press conference hosted by

Thierry Bollore, CEO of Groupe Renault and Dr. Shuwen Ge, CEO of Dongfeng Renault Automotive Company (DRAC)

(broadcast live and replay on www.groupe.renault.com)

Groupe Renault is entering the world's largest and fastest growing electric vehicle market. Renault K-ZE showcar was revealed on the eve of the Paris Motor Show in 2018.

The debut of All-New Renault City K-ZE production car marks the beginning of Renault and DRAC to turn EV concept into reality. It confirms Groupe Renault's electrification strategy.
