JOSE-VICENTE DE LOS MOZOS OBISPO JOINS THE RENAULT MANAGEMENT COMMITTEE

On January 1, 2013, Jose-Vicente De Los Mozos, Vice-President, Manufacturing Assembly Plants, and CEO of Renault Spain, becomes a member of the Renault Management Committee.

Born in October 1962, Jose-Vicente de los Mozos holds a degree in aerospace engineering from the Polytechnic University of Madrid, and a master's degree in production techniques from the CESEM business school in Madrid. He joined Renault in 1978 as an apprentice, before becoming part of the engineering team at the body assembly plant in Valladolid. In 1993, he relocated to France where he occupied a number of positions of responsibility with Renault's Engineering division. He returned to Spain as head of the press shop at the Valladolid body assembly plant before becoming head of the press shop and body assembly department at the Palencia plant.

In 2003, he joined Nissan Motor Ibérica in Barcelona, as deputy managing director,, before becoming managing director of Nissan Motor Ibérica in 2005. One year later, he became vice-president in charge of Nissan industrial operations in Spain.

In September 2008 he joined FICOSA (automotive supplier), as Chief Operating Officer (COO) of the Automotive department, a post he held until October 2009. He then returned to Renault, where he was appointed vice-president, manufacturing assembly plants, a post held alongside that of CEO of Renault Spain since January 2012.
