## **OPEN DAYS TO CELEBRATE THE TECHNOCENTRE'S 10TH BIRTHDAY**

Some 21,515 visitors came to the Open Days at the Technocentre on September 27 and 28, 2008. The event included the reveal of New Renault Mégane and a host of activities designed to show visitors all about the Technocentre, located in Guyancourt near Paris. The festive occasion was also a chance for 400 employees – from engineering, manufacturing, design, purchasing, IT, R&D, product, and quality – to present and explain the part they play in New Mégane production.
