RENAULT BECOMES THIRD-RANKED CAR BRAND IN RUSSIA

Despite a 58% fall in the Russian car market in May, Renault posted a record-setting month in the country, increasing its market share to 6.4% to become the third-ranked car brand behind Lada and Chevrolet. This performance was driven by the success of Logan, which is now the best-selling foreign-make vehicle in Russia with a 4.73% share of the market.
