RENAULT EMPLOYEES WITH BIG HEARTS!

Between March 27 and 31, for the 11th consecutive year, Renault partnered Trans-Forme (an association for people who have received transplants or are on dialysis) in the Course du Coeur charity race.

Responding to the call to share and exchange on the issue of organ donation, employees from sites around Paris took part in this worthy sporting adventure based on solidarity and generosity.

Fourteen runners overall, of whom four women, took part in the 750 km relay race between Paris and Les Arcs. Renault also made more than 50 vehicles available to the Trans-Forme association.
