**RENAULT GROUP SUPPORTS FRANCE'S 500,000
BUSINESS CREATORS**

The Renault group, French number one in sales to companies, is partnering with Infogreffe to support business creators with a tailored offering.

The Renault group, French number one in sales to companies with the Renault and Dacia brands, wants to support business founders in their projects by offering them adapted financing.

Freshly founded companies have problems obtaining financing for their growth. They are on the lookout for exclusive, easily accessed offers for effective start-up with complete peace of mind.

The campaign, in partnership with Infogreffe, will begin on November 8, with each company founder receiving a pack from Infogreffe containing a range of solutions for starting up business. Among these solutions is a Renault group offering giving creators access to a dedicated website.
