RENAULT MAKES A TAKEOVER PROPOSAL FOR SBFM (SOCIETE BRETONNE DE FONDERIE ET MECANIQUE)

June 30, 2009 Given that the company SBFM has gone into receivership, and that no other buyers have come forward, Renault has agreed to make a takeover proposal for the business, assets and personnel of SBFM so that the site may continue its activity..

Given the situation of the company, the proposal will depend on commitments made by all partners, in particular:

- the customers to maintain the volume of orders,
- national and local authorities to contribute to financing this operation.

A period of time will be necessary to satisfy these conditions and draft a definitive proposal.

Renault agrees to work with personnel representatives and with legal, national and local authorities so that the takeover may become effective as quickly as possible.
