## STATUS ON THE PRODUCTION OF NEW RENAULT CLIO

Renault confirms that New Renault Clio will be manufactured simultaneously at the Flins plant ( France) and the Bursa plant (Turkey). But at this point, Renault cannot supply any figures on the share of New Renault Clio production between these two plants. In Flins, production will be divided between New Renault Clio and ZOE, according to demand. In addition, Renault recently announced that Clio Collection was to be produced at Flins (Clio Longlife).
