## **UNIVERSITY AND ENVIRONMENT IN SEVILLA PLANT (SPAIN)**

The Renault Sevilla plant has received the visit of the students of Master “analysis and management of environmental risks”, from the University of Pablo de Olavide, Sevilla. For their module on environmental responsibility, they were taught by Virginia Mena, in charge of facilities and environment in the Sevilla plant, the main points on Management Environmental System (SGE). And then, on the field, she explained how Renault obtained the complete cooperation and implication of the employees in terms of environmental
