SOME OF THE AWARDS WON IN 2012

- **The Netexplo Change 2012 prize** (in the “Management and Human Resources” category). The Netexplo observatory, which maintains a watch on the most promising diversity initiatives, distinguished Women@Renault in partnership with the Paris Chamber of Commerce and Industry and the HEC school for its innovative use of a social network to shift mindsets and make progress on company and society issues.
- **The “Global Diversity Policy” prize**, presented by J.-M. Peretti at the 8th International Diversity Summit in September for Renault Morocco’s work on quality of life at work and gender equality.
- **The “Honorary Jury Prize” for Women@Renault initiatives in Turkey** (conferences, training, sharing best practices, community campaigns, etc.). The Bursa Business and Professional Women’s Association (BUKIAD), which works to promote gender equality, annually awards the “Prize for successful professional women”.
